

WE'RE HIRING!

Lethbridge's favorite comic, gaming and hobby store is hiring! We are looking to fill a **casual/part time** position(s). We will be honest, we're looking for someone special & we've got very specific requirements.

We are looking for someone who can work just a few shifts a week, who can handle: comic book, games and general merchandise sales; cleaning and maintenance of store from top to bottom; stocking & facing shelves, and other such retail tasks; and above all, providing friendly, knowledgeable & enthusiastic customer service!

WHAT QUALIFICATIONS DO YOU ABSOLUTELY NEED?

- Your resume **MUST** have a cover letter. We will not accept any resumes without them. If you've already put in a resume... too bad! Show how serious you are and bring in another!
- **MUST** be available weekends and evenings. No exceptions!
- Retail and sales experience is highly valued. Show us your experience in floor sales, customer relations, merchandising and the day to day operations of a retail store. Sales ability is required!
- Must show interest, if not outright knowledge, in board games, comic books and "geek" culture.

WHAT QUALIFICATIONS WILL REALLY GET OUR ATTENTION?

- Proven experience in online sales (eBay, Kijiji, web based online stores)
- Proven experience/training/education in Social Media use (Facebook, Twitter, Instagram)
- Experience with Word Press and Word Press based websites.

Most of all, show us why we absolutely **NEED** to hire you. Tell us why we can't afford **NOT** to hire you!
